### Outlook for Thursday through Monday:

Moderate to locally high heat impacts will continue across interior Southern Region through the end of the week, with heat also spreading northward into the Central Valley and other interior valleys of northern and central California for Friday through the weekend. Dry conditions and locally breezy winds could contribute to elevated fire weather concerns throughout the week, especially in the mountains, foothills, and southern deserts. Monsoon moisture could return to southeastern California over the weekend or early next week, with somewhat increased shower and thunderstorm activity possible.

### Red Cross

- Monday night, the Red Cross and our partners cared for nearly 500 Californians seeking refuge from wildfires in over 30 emergency shelters and campsites. Since July, we've provided more than 9,300 overnight stays for people in need.
- Many evacuees are choosing to stay in RVs or tents. Anyone who has been affected by the fires is welcome to stop by a shelter to get a hot meal, take a shower and access other support.
- Since the fires began, more than 500 Red Cross disaster workers have supported relief efforts in person or virtually.
- Almost 300 disaster responders are still active across the state supporting the current relief operations.
- With the help of partners, the Red Cross has provided tens of thousands of meals and snacks and distributed over 1,700 relief items including comfort kits, fire kits, and other supplies to help people in need.
- Trained Red Cross volunteers are helping evacuees cope as they await news about whether they will have a home to return to. Volunteers are also replacing prescription medications, eyeglasses or critical medical equipment, like canes and wheelchairs, that were left behind in the rush to get to safety.
- Volunteers have already made more than 6,500 contacts providing emotional support, health services and spiritual care for people who've been evacuated.

- The Red Cross has provided financial assistance to more than 1,100 people who have experienced loss due to recent California Wildfires. Financial assistance allows people to make their own decisions and prioritize what their family needs most to start recovering. Funds can help families replace clothes or food, offset transportation costs, or support any other immediate need.

- On August 24, 2021, Cal OES received a letter from Lake County dated August 24, 2021, requesting Lake County be added to the Governor's Presidential Disaster Declaration request for wildfires dated August 23, 2021. It is important to note Lake County has not submitted a local proclamation of emergency for the Cache Fire to date. Although the letter mentions Lake County proclaiming a public health emergency (PHE) in support of the City of Clearlake, Cal OES has not received the PHE to date.

**Watershed/Debris Flow Task Force (WSTF)**

- Dixie Fire
  - BAER team continuing to categorize and validate Values at Risk along the Southwest corner of the fire.
    - Soil Burn Severity Mapping and USGS Post-Fire Debris Flow Hazard modeling slated to be complete within 1.5 weeks.
      - BAER team is indicating that soil burn severity is greater than expected.
  - MRT Requested for CCC to deploy one crew to implement emergency protection measures within the town of Greenville. Deployment slated for September 7, 2021.
  - MRT requested for DWR to deploy two flood fighting specialists to identify placement of emergency protective measures on cleared DTSC parcels within the town of Greenville. Deployment slated for September 3, 2021.
  - MRT Request for DGS to supply materials and equipment.
  - Held CCC | DWR | OES | DTSC Coordination Call yesterday August 24, 2021, to coordinate upcoming lines of effort for the oversight/implementation of emergency protective measures in Greenville.
    - No unmet needs identified by these state agencies and all are postured for upcoming mission tasks.
  - WSTF to attend in person RST Kickoff meeting today, August 24, 2021.
- Tamarack Fire
  - Requesting via MRT that DGS provide the following materials to support the remediation of the Musser and Jarvis Watershed in Markleeville (Alpine County):
    - One rubber track Excavator w/ Operator (mid-size or larger)
    - One Forklift w/ Operator (to accommodate the transport of k-rails and suitable for rough terrain)
    - 400 LF of California temporary k-rail
    - 6000 LF of 25' x 8" biodegradable straw wattles
    - 1,700 16" x 1" Wood Stakes
    - One Hydromulcher w/ water cannon w/ operator

## State Operations Center

### 2021 August Wildfires

**Report Date:**

**8/25/2021**

**Report Time:**

**0730**

- Hydromulch to cover 23 acres (consists of 46,000 gallons of water, 11,500 lbs of mulch, 6,900 lbs of binder)
  - One Waste Management Bin
  - One Portable Toilet w/ Wash Station w/ Trailer
- Met yesterday, August 24, 2021, with NWS, DWR, and Alpine County to further coordinate the implementation of USFS approved rain gauges and drill down who is ultimately responsible for these rain gauges once they have been placed. Alpine County Public Works has accepted the responsibility for the implementation and maintenance of the rain gauge. Cal OES and NWS will be providing technical assistance throughout the process.
- Continuing coordination with the USFS to expedite permitting to allow treatment of the Markleeville Water Company's Watershed, the Musser, and Jarvis Creek.
  - Site visit with Markleeville Water Company tentatively scheduled for Monday, August 30, 2021. The purpose of the site visit is to gather geospatial data to map the water companies proposed BMP treatments on the Musser and Jarvis Watershed. At the request of the BAER team, this mapping needs to occur to expedite the permitting and NEPA process which would allow for treatments on private property on USFS land.
- Cache Fire
  - 156 vehicles and 137 structures have burned, 57 of which are residences. These burned vehicles and structures are near Cache Creek; therefore, erosion control BMPs must be placed, or a berm must be constructed, to protect the waterway from toxic runoff from the burn area. This area is particularly sensitive as Cache Creek flows directly into Clearlake.
    - CCC tentatively scheduled to be on site September 3, 2021, and September 4, 2021, for placement of BMPs and/or construction of a berm.
- Caldor Fire
  - Preliminary analysis of potential watershed impacts identified the American River South Fork and Cosumnes River watersheds fall within the burn scar.
    - Cosumnes River Watershed - Of particular concern is the potential for toxic runoff from the Grizzly Flat area (est. 300-350 residential structures burned) into the waterway. This watershed flows to the San Joaquin River, then the Sac-San Joaquin Delta.
    - American River South Fork Watershed - Post fire runoff and sedimentation have the potential to negatively impact the various areas of beneficial use, including municipal and domestic supply, irrigation, stock watering, recreational use, warm and cold freshwater habitat, spawning, and wildlife habitat.
  - USFS anticipates deployment of a BAER Team to the Caldor Fire burn scar when conditions permit.
- River Fire
  - NSTR
- Miscellaneous
  - Met with data analytics team to discuss development of WSTF dashboard. Estimated completion date of September 3, 2021.

**CA-ESF 15: Public Information Office (PIO)**

- Pushed public facing messaging focused on evacuation numbers, shelters, signing up for emergency alerts, mutual aid wildfire updates, road closures, and community meetings.
- Amplifying county and state partner messaging.
- Facebook live on Wildfire efforts and updates (Spanish)- English version up tomorrow, August 25, 2021, at 1000 hours.
- County coordination call to connect and utilize each other for resources, messaging, upcoming events, and briefings that best serve the public.

**Office of Legislative and External Affairs (OLEA)**

- On August 23, 2021, US Sens. Feinstein & Padilla and Rep. LaMalfa sent a joint letter of support to POTUS for CA's request for a major disaster declaration for Lassen, Nevada, Placer, Plumas, Shasta, Siskiyou, Tehama and Trinity counties due to the Dixie, Antelope, McFarland, Monument, and River Fires.

**Office of Access and Functional Needs (OAFN)**

- OAFN is partnered with the California Foundation of Independent Living Centers (CFILC) regarding the provision of wheelchairs, walkers, crutches, assistive devices/technologies, and durable medical equipment (DME) for wildfire survivors with access or functional needs.
- OAFN is working in partnership with the CDSS Disaster Services Branch (DSB), the American Red Cross, and the Department of General Services (DGS) to ensure AFN-specific resources and wrap-around services are available at all shelters.

**Office of Private Sector / Non-Governmental Organization (NGO) Coordination**

- BOC Partners interested in making a financial donation are being encouraged to visit Philanthropy California (<https://www.philanthropyca.org/2021-california-wildfire-response>) for a list of vetted organizations assisting with response and recovery efforts.
- The California Chamber of Commerce is offering free Employment/Labor Legal help for their members/businesses in the affected counties (<https://hrcalifornia.calchamber.com/labor-law-helpline>).
- The BOC received a request from a CA VOAD representative on behalf of Plumas county for a truckload of water to distribute to wildfire survivors being repopulated. Cal OES Regional staff were able to assist in securing storage space at the Quincy Cal Trans facility. A donation of a truckload of water from Greene Concepts, Inc. is currently being coordinated and will be delivered to the Cal Trans site. Water shipped on Tuesday August 17, 2021, ETA is pending.

**Office of Tribal Coordination (OTC)**

- OTC met with Alpine County and the Washoe Tribe who informed us that the Tribe lost cultural gathering sites and were exploring funding resources. OTC sent them information on grant fund opportunities. The Tribe would also like their CHIP program to be considered for contract recovery work due to the Tamarack Fire impacts. The County supports this effort.
